

Environmental Policy

1.0 Scope

- 1.1 Applies to the directors, officers, and employees of MRC Global Inc. and its subsidiaries ("the "Company") and any third-party suppliers engaged by the Company.

2.0 Purpose

- 2.1 MRC Global Inc. ("MRC Global" or the "Company") is committed to acting in an environmentally responsible manner and continually improving our environmental performance. As such, the Company is conscientious of the impact that our work has on the environment and continues to explore new systems and technologies that can help us reduce our ecological footprint. The purpose of this Policy is to (i) state the Company's commitment to acting in an environmentally responsible manner, (ii) establish guidelines to minimize environmental impacts concerning our activities, products and services, and (iii) set the Company's expectations for its suppliers.

3.0 Policy and Procedures

- 3.1 *To minimize environmental impacts concerning our activities, products, and services:*
 - We will comply with applicable environmental laws, rules and regulations;
 - We will strive to prevent pollution, reduce waste and minimize the consumption of resources;
 - We will educate, train and motivate employees to carry out tasks in an environmentally responsible manner; and
 - We will encourage environmental protection among suppliers and subcontractors.
